CATALOGUE

OF

GREEN-HOUSE & BEDDING

PLANTS

FOR

1873.

BRENTWOOD, N. H.

Branch Establishment, Corner Pearl and Maple Streets,

MANCHESTER, N. H.

NOTICE.

In placing before our numerous customers, this our ANNUAL CATALOGUE of GREEN HOUSE and BEDDING PLANTS, we do so with great confidence, as we have spared no pains in making it a plain, practical guide in the selection of plants, and hope you will find by perusing its contents something either for the decoration of your PARLOR, CONSERVATORY or GARDEN.

Our success in sending Plants, by MAIL has proved very satisfactory; in this form we have sent plants with perfect success to nearly every State and Territory in the United States. Nearly every kind named in this Catalogue can be sent with entire safety; in some cases smaller plants will have to be sent than by express, but all are well rooted and will readily grow and thrive.

When selections are left to ourselves, the very finest varieties will be sent, and the most vigorous plants, as all orders are selected under our own personal supervision.

We are making ample arrangements to furnish Cut Flowers, Boquets, Wreaths &c. the coming fall and winter, in addition to our extensive trade in Green House and Bedding Plants; we have already erected two houses in Manchester, and during the summer intend to erect more, hoping to receive the same liberal patronage that we have in the other branches of our business. Our Green-houses are situated on the corner of Pearl and Maple Streets; where we intend to keep the present spring a good stock of Green House and Bedding Plants, Shrubs, Roses Etc.

No charges for boxes or packing.

All Packages will be delivered to Rail—Road Stations and Express Offices without charge.

Orders from unknown correspondents, must be accompanied with cash or a satisfactory reference.

NEW, RARE AND SELECT PLANTS

FOR THE SPRING OF 1873.

NEW COLEUS, (CHAMELEON.)

THIS is a distinct variety of great beauty, ground color of the leaf is a carmine pink splashed with dark maroon, the edge of the leaf fringed with yellow, it is well named chameleon, for there is seldom two leaves on the plant to be found alike; this variety must be grown in a high temperature to bring it to perfection. 50 cents each.

SALVIA SPLENDENS ALBA.

A white variety of the Scarlet Sage. identical in every respect, except in color, which is of the purest white. \$1 each.

TRADESCANTIA REPENS VITTATA.

A pretty trailing plant, extremely useful for vases, hanging baskets, &c., in habit it is similar to the old Tradescantia Zebrina, but the foliage is green blotched with white, in many instances the entire half of the leaf is white. Price 30 cents each.

CENTAUREA CLEMENTINA.

A robust and free-growing variety, producing crowns of leaves deeply cut in lobes. The leaves in their earliest stage, being so densely covered with down as to be perfectly white. 75 cents each.

NEW FUCHSIAS.

We know of no plants which have met with such decided improvements within the past few years as the Fuchsia; the following are some of the newest and best.

Beauty of Sherwood, sepals white, crimson corolla. 75 cts. each.

Brilliant, tube and sepals white shaded with pink, corolla bright red. 75 cents.

Empire, scarlet tube and sepals, white corolla, good size. \$1 each.

Dolly Varden, scarlet tube and sepals, and fine double shaded purple corolla, very attractive. \$1 each.

George Felton, tube short and thick, sepals elegantly reflexed, corolla a beautiful bright purple: very double. 50 cents.

Smith's Avalanche, very double, compact, and beautifully formed flowers, corolla pure white, of extra size, tube and sepals brilliant carmine scarlet. 75 cents.

WHITE TEA ROSE. (BELLA.)

A pure white Tea Rose, of fine healthy, and vigorous habit, the flowers being borne on long foot-stalks make it very desirable for boquets: it is entirely free from mildew.

Price 50 cents each.

BEGONIA VEITCHII ARGENTEA.

A years trial of this beautiful plant proves it to be a decided acquisition to our ornamental foliage plants; leaves distinctly spotted white on the upper surface, reddish brown underneath; very large blossoms of a rich orange scarlet. Price 75 cents each.

NEW HYBRID BOURBON ROSE, (PEERLES.)

This Rose combines more good qualities than is contained in any other variety: it is nearly as hardy as the Hybrid Perpetuals, having the same delicious fragrance peculiar to that class, blooming as freely as the Noisettes, like them its flowers are borne in immense clusters: color crimson shaded with blush; very double. \$1 each.

WHITE CRAPE MYRTLE.

A new white flowering variety of this well known shrub from Louisville, Kentucky, but originally from Arkansas. A plant when in bloom was shown at one of the greatest Horticultural Exhibitions ever held in Louisville, and was the wonder and admiration of thousands. \$1 each.
